

Key Takeaways from Today's Meeting for Students Working on In-house Projects □

1. Project Topic Selection:

- Students must choose their project topic from the list provided in the email sent by Sathish Sir and you can check with availability of the project through Shantanu sir or the respected project head that is Dr. N. sathish sir

2. Daily Attendance and Progress Reporting:

- Students are required to check in with their guide daily for attendance.
- A progress report must be shared with the project coordinator, Dr. N. Sathish Sir.

3. Progress Presentation:

- Students will need to present their overall progress after one month. The specific date will be announced by the department.

4. Presentation Requirements:

- For the presentation, students must bring a comprehensive progress report.
- A plagiarism check is mandatory, to be conducted through the library. The plagiarism report must be attached to the final progress report.

5. Marks Allocation:

- The guide is responsible for 50% of the total marks, providing internal marks out of 50.
- External marks will be assigned by the department of the placement cell and will be available after the semester results are declared.

6. Attendance:

- Attendance is mandatory, and students must be on campus from 8:45 AM to 3:30 PM.
